**Department of Chemical Engineering,** IIT Bombay, and **FOSSEE** present

DWSIM Flowsheeting Competition

We invite chemical engineering students, faculty, and practitioners to solve flowsheets using the open source software DWSIM.

- ☑ Individual participation required; no team participation permitted

- ☑ Open to all, both from academia and industry

- ☑ Take a process flowsheet from any published literature (journal article, conference paper, textbook, etc.)

- ☑ Simulate using DWSIM

- ☑ Validate the results

Top 25 contributors to receive cash prizes and certificates from IIT Bombay
