

Title: Environmental Degradation Map

Map description and analysis

Environmental Degradation Map The Nilgris, Tamil Nadu

Introduction:

Nilgiris, one of the oldest mountain ranges, located at the tri-junction of Tamil Nadu, Kerala and Karnataka. Nilgiris is a part of the Western Ghats. The district has an area of 2,552.50 km². [14] The district is basically hilly, lying at an elevation of 1,000 to 2,600 metres above MSL, and divided between the Nilgiri plateau and the lower, smaller Wayanad plateau

The data for the preparation of this Map is taken from WMS service offered through Bhuvan - TN_LD50K_1516

The Rsater Image is clipped based on District boundary and shape layers are generated with the aid of SCP and Supervised learning
